Arden Manor Pirates – Who We Are

How the Program Works

We are a recreational swim team that is focused on promoting healthy and positive opportunities that allow children to develop the values of physical fitness, sportsmanship, commitment, and accountability. This program is offered by Arden Manor Recreation & Park District (AMRPD). The registration fees go to AMRPD. AMRPD uses those fees and is responsible for:

- Hiring, Scheduling, training, and paying coaches and lifeguards
- Determining the practice times and dates
- Representing the team at VFCAL (swim league) meetings
- Paying league fees
- Purchasing and maintaining equipment to run the program

Friends of Arden Manor Pirates (FAMP)

The role of FAMP (Parent Board) is to coordinate and direct the activities of the swim team during the pre-season and the swim season. It is made up of parents of swimmers on the team. Their main priorities include:

- Organizing volunteers to run swim meets during the swim season
- Coordinating social events to allow swimmers/families to make new friends
- Raising funds to pay for team expenses not covered by registration fees, social events, and supplies necessary for swim meets
- Communication with families regarding team registration, swim meets, volunteering notices, fundraising events, and other needed notices and information

Arden Manor Pirates Team Goals

- Train swimmers in the correct technique of the four competitive strokes
- Involve all parents in volunteer and fundraising activities in support of the swim team
- Create social activities that help develop team spirit and friendships amongst the swimmers and parents
- Demonstrate the importance of good sportsmanship as well as setting/achieving goals
- Encourage and environment where parents work in support of our coaches and swimmers

-Injury occurs during the first week of practice – Full refund

-Injury occurs before time trials – 50% refund

-Injury occurs after time trials – No refund

Communication

Swimmer – Coach Communication

It is important that swimmers learn to talk directly to their coaches! The coaches have everyone's best interests at heart and desires to see each member of the team succeed, but they cannot read minds. If you want to swim a certain event, improve your technique, or ask how you can achieve your goals you must talk your coach!

Parent – Coach Communication

Communication gaps occur when a parent does not feel comfortable discussing their disagreements and concerns directly with the coaches. This never solves the problem and frequently creates additional ones. Please remember that the coaches have the best interests of your child at heart. Some guidelines for raising concerns are:

- Attend Wednesday Parent meetings – Someone probably has the same question.
- Keep in mind that the coaches must balance your child's interests with that of what is best for the team. There may be occasions where team needs are a priority over an individual swimmer's race placement
- If your child is swimming under an Assistant Coach, direct questions to that coach first
- Please do not approach coaches in the middle of practice to discuss a concern. Attention is needed towards the swimmers on deck and in the water. The coach cannot give you and the swimmers the attention and focus you each deserve.
- ALWAYS feel free to email questions to the coaches or parent board members

Parent – Parent Board Communication

The Arden Manor Pirates are administered by a group of volunteer parents, some of whom volunteer significant portions of their time to make sure that the Pirates are a successful recreational swim team. Please treat them with respect when addressing problems or concerns you may have. It is never appropriate to berate volunteers. Parental interference in coaching as well as abusive language towards volunteers or staff may result in your swimmer's dismissal from the team.

- Meet with a board member and discuss your concerns calmly. Consider holding the conversation away from the pool deck
- Email a board member. Ask them to explain the reasons behind certain policies
- If you are not satisfied with the answers provided, please ask the board member to raise your concerns with the entire Parent Board and follow up with an email to the board re-stating your concerns
- Attend the regularly scheduled board meetings. Advise the Board President at least one week in advance of your attendance and the issue.
- Please accept the decision of the Parents Board as final

Swim Meet Information

Are meets required?

Yes. We encourage our swimmers to be active team members who swim most of the meets to see how they are improving throughout the season. You must swim in two league dual meets (not including time trials) to qualify for the league championships.

How do I know if my child is swimming and what events they are swimming?

Coaches determine who swims in each event, according to individual goals and abilities. The coaches evaluate the strokes, endurance and experience of all of the swimmers during the weekly practices. Seeding a meet consists of placing the swimmers in events that will benefit themselves and the team. The benefits may be to help them achieve a goal, try a new stroke, and/or post a time.

We are a TEAM made up of individuals. Each individual has a place on the team and each swimmer is important. When a child does not show up at a meet without notifying a coach, often an entire seeding sheet must be changed prior to the start of the meet. If you have questions or concerns about meet events, talk to your swimmer's coach.

Relay Policy

The swimmers who make up the relay teams are selected by the coaches based on the team needs within the age group for the strokes involved. A relay team does not necessarily comprise of the fastest swimmers. Coaches will generally select relay team members based on:

- Top times provided by computer personnel
- Splits taken in previous relay swims
- Most recent swim meet results
- Team Chemistry
- Attendance at swim practice/meets
- Sportsmanship and effort

What You Will Need

- | | |
|---|---|
| -Team swimsuit, two pairs of goggles, team swim cap, two towels, SUNSCREEN | -Warm clothes for cool mornings |
| -Sleeping bag or blanket for warmth and rest | -Shade structure, chairs |
| -Water, sports drinks, and healthy snacks (ice chest recommended) | -Highlighter, pen, and permanent marker |

Meet Entries – Sign-in/Meet Declaration

Swimmers must sign up for each dual meet they will be attending, as well as for the League Championships meet. There are sign-up deadlines for each meet. Sign-ups are the responsibility of the parent and swimmer.

If a swimmer misses the sign-up deadline, the swimmer will not be entered in that meet.

Coaches are unable to include a swimmer in a meet after the sign-up deadline. The sign-up deadline is Monday 7:00 pm, on meet week. The coaches finalize the meet entries on the Tuesday of meet week. Once finalized, the meet entries (list of swimmers and the events they are scheduled to swim) will be posted before the meet.

Sign-ups for the League Championship meet must be done no later than July 1. The swimmer must have competed in a minimum of two league dual meets during the season to be eligible for the Championship meet. Time trials do not count as a dual meet.

Swimmer Check-In

Swimmers should be at the meet before 7:00 am for dual meets. League Championship meet times may differ. **Swimmers who have not checked in by 7:15 am will be scratched and not be allowed to swim during the meet even if they arrive later.** Coaches must be able to see your swimmer's face when you are checking in.

After entering the pool deck, you should go directly to the swimmer and parent volunteer check-in tables.

Report to swimmer warm-ups when called. Swim meets are scheduled to begin at 8:30 am.

Parent Check-In

After checking in with volunteer coordinators, be prepared to report for your scheduled volunteer position. This usually includes pre-race meetings for Timers and Stroke & Turn Judges. If you are not assigned to a volunteer position for that meet, please be ready to volunteer if needed.

Help your swimmer know who their Group Parent is and what races they will swim. Support your swimmer's Group Parent, as wrangling 16 kids to their races is a difficult task. **Make sure that your volunteer coordinator has recorded your efforts.**

Warmups

Each Team is allowed a period of time before the scheduled start of the meet to warmup. Our team warms up the younger swimmers first, in the following order:

-10 & under 1st

-11 & up 2nd

The goal of warmups is to familiarize your swimmer with the pool prior to their race. A swimmer that participates in warmups generally has a greater amount of confidence when it's time to race. Please wait for your swimmer with a warm towel a respectable distance from the pool, as the deck is very crowded at this time.

Time Trials

The Time Trials swim meet is attended only by members of the Arden Manor Pirates. Its main purpose is for each swimmer to set a time for each stroke so they can track how much they've improved by the end of the season. These times are also used for seeding dual meets. Time Trials are an excellent way to get familiar with how swim meets are run.

Team Photos

Team photos and individual swimmer portraits are generally taken at Time Trials around 8:00 am. Please contact the Parent Board or district staff for specific information.

VFCAL Championships

The VFCAL Championships meet is the one time each season that all teams in the league come together for one large swim meet. Swimmers must have swum in at least two dual meets during the season. Your swimmer can swim up to 3 individual events, 1-2 relays, and measure how much they have improved over the summer. The first-place finisher in each event is crowned "League Champion" and the championship team is decided.

Meet of Champions

Invite only! Top swimmers from various Northern California recreation swim teams come together to compete in a high-level two-day competition. Swimmers earn points for their team, with team trophies awarded to the top three teams. High point trophies are awarded to the top swimmer in each age/gender group. It is generally scheduled for 1-2 weeks after VFCAL Championships.

Meet Rules

- All swimmers and spectators are expected to conduct themselves in a sportsmanlike manor
- No obstruction of the orderly conduct
- No roughhousing or rowdy behavior around the starting blocks, in team areas, or during a race
- Certain sections of the pool are restricted, with access only for stroke & turn judges, meet referee, coaches, and timers. Please stay out unless you are authorized to be in such areas

Coaches are seated poolside and are **available to swimmers** at any time during the meet.

Coaches are very busy at swim meets and often cannot give attention to anyone other than the swimmers. Please save parent/coach conversations until after the meet, unless a swimmer is ill or injured.

ALL SWIMMERS ARE EXPECTED TO REMAIN AT THE MEET UNTIL IT IS OVER, except for 6 & under swimmers who are done early. Please do not leave because you are done swimming - this is a team sport!

-Verbal Warning

-Swimmer set out of practice

-Removal from practice and parent notified

-Suspension from team

-Removal from team

Parent Responsibilities

Families are a vital part of the Arden Manor Pirates. Without your support, we would not be able to have swim meets, fundraisers, or social events! As a family, you will need to make sure that your swimmer(s) arrive to practice on time with the necessary equipment, such as, swimsuit, goggles, towel, shoes, and extra clothes (if needed) for after practice.

Volunteering

Volunteering is your greatest responsibility and it's a fun way to learn and be part of the team and sport!

-If you need additional assistance figuring out how to volunteer, please contact the Volunteer Coordinator or any FAMP member

-YOU MUST VOLUNTEER FOR AT LEAST ONE SHIFT AT EVERY DUAL MEET IN WHICH YOUR CHILD SWIMS.

-Failure to check in with the Volunteer Coordinators and/or work your scheduled job or find a replacement may make you ineligible to register for the next season

Parent Role at Practice

-Leave the coaching to the coaches!

-Swimmer will often feel overwhelmed when getting instructions from both the coaches and their parents

-Bring a chair and sit a reasonable distance away from the pool to limit distractions for your swimmer

-Visit with other team parents and find ways to get involved

-Work to build a great team experience and positive environment

-Do not coach your child right before or right after practice. This will only cause them stress and may negatively impact their attitude

VFCAL Rules

The Arden Manor Pirates Swim Club participates in the Valley-Foothill Competitive Aquatics League. The league has a set of general and swimming specific rules that govern how the swim meets are run. Please note the following rules, as they are important. For a complete set of VFCAL rules, call Kevin Cauley, our Aquatics Coordinator

Age Groups

The six age groups are: 6 & Under, 7-8, 9-10, 11-12, 13-14 and 15-18. The swimmers' age is determined by their age on June 1, 2024. A swimmer may advance to the next highest age group before they actually turn that age, but they must remain in that higher age group for the remainder of that season.

Entries & Events

- Teams may enter eight official swimmers in most events.
- Teams may enter four official teams in the Medley relay event and eight in the Free Relay event.
- All Swimmers may be entered in a maximum of three individual events and two relays.

Eligibility

No participant of the VFCAL may compete with any organized swimming group during the period of January 15 to February 28, 2025; EXCEPT an individual on a high school swim team. League participants may workout with any organized group prior to the May 6th start date.

All VFCAL participants have a MANDATORY rest (SWIMMING ONLY) period from January 15 to February 28, 2025 in which you are not allowed to swim in any meets. To be eligible for League Championships, all swimmers must compete in at least two League dual meets.

Code of Conduct of Spectators and Participants

Smoking is prohibited in ANY pool area during VFCAL sponsored competition

Meet officials, coaches, and timers request that all spectators and swimmers stay away from the starting area (behind the blocks or in the shallow area for 25-yard events.) ONLY swimmers who have been called to the starting area are permitted in this area. With your assistance, this will cut back on the confusion with all swimmers. Please follow all pool rules.

Any empty lanes or open areas in the pool, including the zero-depth area, are not open for spectators, swimmers or family members to swim or wade in. Entering the competition area in any way during the competition can be considered interfering and the team may be disqualified.

No Photography behind the starting blocks.

2025 Practice

Ages 4-8	4:30 – 5:15 pm
Ages 9-12	5:15 – 6:00 pm
Ages 13-18	6:00 – 7:15 pm
No Practice	July 4

Practice is a vital part of swim team! Swimmers need to arrive at the pool on time. Every swimmer is responsible for checking in with the coaches at the beginning of each practice. If your swimmer will be missing more than two practices a week for any reason, please inform the coaches.

Swimmers should come to practice prepared to swim. Be sure to bring a swimsuit, towel, goggles, cap, a change of clothes, warm clothes, and slippers/shoes. Be sure to label all belongings, as items often get lost or left behind.
